SNACK

Feb £ 5.10

March £ 5.40

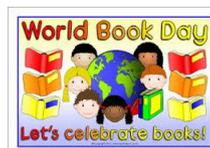

(Incl reduction for 21 & 22 Feb)

AFTER SCHOOL CLUBS

After School Clubs will be changing after Half Term and we will have a new timetable. Please complete and return the reply slip, with the correct money, to school on Thurs 21 February.

'Congratulations' to our P7 children who recently received their GL Assessment results. You have all done yourselves and our school proud! The hard work has really paid off! Well done boys and girls.

THURSDAY 7 MARCH 2019

We encourage our children to read in their spare time for enjoyment and to develop their vocabulary. It would be beneficial if parents could support their child's reading at home by reading to them and listening to their reading on a regular basis. The school will be holding 'A fun reading in unusual places' photo competition. Children should get a photo of themselves reading a book in an unusual place, print it and return it to Mrs Brady by Thursday 7 March. Winners will be announced in assembly on Friday 8 March 2019. Good luck everyone!

If you have a book at home and would like to find out if it is on Accelerated Reader then visit www.arbookfinder.com

ECO BIG BOOK SALE

THURSDAY 7 MARCH

If your child has a book or books that are in good condition and they are finished reading them then please send them into school on Tuesday 5th and Wednesday 6th March. The ECO Club will reward each child who donates a book with a free pencil and ticket for a prize draw. The prizes for the draw are two £10 vouchers for Cuddys, Magherafelt. **The books will all go on sale (£1 - £1.50) on Thursday 7 March and proceeds will go to Cancer Research.**

Parent views... We want to know what you think.

We are considering investing in 'Mathletics' an online programme for children to reinforce and practice their Maths skills. Time would be given to using this resource in school but to make it really effective in improving children's Maths attainment time would also need to be set aside at home for children to go online and complete activities. We are surveying parents to find out if this is something which parents would feel they would make use of. If the programme was purchased by the school we would use incentives to encourage children to use the programme similar to AR. Please complete the reply slip below and return to school before Friday 15 February 2019. Thank you in advance for sharing your views.

MATHLETICS PROGRAMME

- I do think the school should purchase Mathletics Programme
- I would set aside time for my child to go online as part of their homework and complete Mathletics tasks.
- I do not think that an online programme would be a good idea for developing children's Maths skills and I would not have the time to commit to this extra activity at home.

Child's Name: _____ Signed: _____ (parent)

Please return this reply by Friday 22 February 2019.
