**Countdown to Christmas 2021**

We are all looking forward to a more normal Christmas this year, but with COVID still present in the community we will not be holding our Christmas Concerts in their normal format. We will still provide the experience of participating in singing and drama for our children as they celebrate Christmas. Classes will produce a video to share with parents and family friends at home. We hope that you will enjoy this video which will be shared on our school website and **accessed with a password which will be text to each family during week commencing 13 December.** We have planned some fun activities for the children to enjoy in the lead up to Christmas. This is especially important for the children after the disruptive years we have all had in recent times. We will still be taking precautions in school to reduce the potential spread of the virus.
